selected awards and celebrations historical connections recommended resources issues for discussion author comments and assignment suggestions further updates include citations of exemplary young adult books and award winners references websites and a bibliography

this book is an excellent work of scholarship it seeks to redefine the early modern english economy by rejecting the concept of capitalism and instead explores the cultural meaning of credit resulting from the way in which it was economically structured it is a major argument of the book that money was used only in a limited number of exchanges and that credit in terms of household reputation was a cultural currency of trust used to transact most business as the market expanded in the late sixteenth century such trust became harder to maintain leading to an explosion of debt litigation which in turn resulted in social relations being partially redefined in terms of contractual equality

includes book reviews and bibliographies
