after the attacks of september 11 2001 two naval academy roommates made a solemn pledge to defend america

the iraqi city of fallujah has become an epicenter of geopolitical conflict where foreign powers and non state actors have repeatedly waged war in residential neighborhoods with staggering humanitarian consequences the sacking of fallujah is the first comprehensive study of the three recent sieges of this city including those by the united states in 2004 and the iraqi led operation to defeat isis in 2016 unlike dominant military accounts that focus on american soldiers and u s leaders and perpetuate the myth that the united states liberated the city this book argues that fallujah was destroyed by coalition forces leaving public health crises political destabilization and mass civilian casualties in their wake this meticulously researched account cuts through the propaganda to uncover the lived experiences of fallujans under siege and occupation and contextualizes these events within a broader history of u s policy in the middle east relying on testimony from iraqi civilians the work of independent journalists and documentation from human rights organizations ross caputi richard hil and donna mulhearn place the experiences of fallujah s residents at the center of this city s recent history

robert fisk has been reporting from the middle east with incomparable depth and understanding and extraordinary courage noam chomsky in this final work from renowned journalist robert fisk he picks up reporting on the middle east where his internationally

bestselling the great war of civilisation left off

this is a study of the second battle of fallujah also known as operation al fajr and operation phantom fury over the course of november and december 2004 the i marine expeditionary force conducted a grueling campaign to clear the city of fallujah of insurgents and end its use as a base for the anticoalition insurgency in western iraq the battle involved units from the marine corps army and iraqi military and constituted one of the largest engagements of the iraq war the study is based on interviews conducted by marine corps history division field historians of battle participants and archival material the book will be of primary interest to marines other service members policy makers and the faculty and students at the service schools and academies

this book chronicles america s struggle with the city of fallujah beginning with the arrival of americans on their way to baghdad in 2003 it details the movements counter movements and misunderstandings that led up to the eventual standoff it provides a day by day account of the siege which eventually retook the city of fallujah in november 2004 provided by publisher

a first person account of the second battalion seventh cavalry s participation in the second battle of fallujah the largest single engagement of the iraq war and the largest urban battle since hue in 1968 a first marine division operation it was spearheaded by one of the most famous army units in history ghosts of fallujah is a heartfelt and somber recount of the battle the influence of history personal leadership and how that can change lives

on 8 november 2004 the largest battle of the war on terror began with the us army s assault on fallujah and its network of tens of thousands of insurgents hiding in fortified bunkers on rooftops and inside booby trapped houses for sgt david bellavia of 3rd platoon alpha company it quickly turned into a battle on foot from street to street and house to house on the second day he and his men laid siege to a mosque only to be driven to a rooftop and surrounded before heavy artillery could smash through to rescue them by the third day bellavia charges an insurgent filled house and finds himself trapped with six enemy fighters one by one he shoots wrestles stabs and kills five of them until his men arrive to take care of the final target it is one of the most hair raising battle stories of any age yet it does not spell the end of bellavia s service it would take several more weeks before the battle of fallujah finally came to a close with bellavia miraculously alive in the words of the author house to house holds nothing back it is a raw gritty look at killing and combat and how men react to it it is gut wrenching shocking and brutal it is honest it is not a glorification of war yet it will not shy from acknowledging this sometimes it takes something as terrible as war for the full beauty of the human spirit to emerge

a highly critical but nonpartisan assessment of the controversial former defense secretary as told by one of the leading experts on civil military relations focuses on rumsfeld s notoriously domineering leadership style flawed vision for transforming the military and failures in the iraq war

by virtually any means of measurement postwar iraq has become a more bloodied and embattled settlement than ever envisaged but were the seeds of these problems sown

long before military force had been committed this lucid and detailed examination of us foreign policy evaluates the continuity and divergence in the strategies of the bush clinton and bush jr administrations and their efforts to respond to the iraqi threat and how those strategies have bequeathed a legacy of problems to those trying to rebuild a postwar iraq offering the most comprehensive analysis of the dynamics that paved the way for renewed conflict in iraq the book provides a descriptive account of attempts to confront a host of political pressures from the need for international cooperation in postwar iraq to dealing with the influx of foreign fighters and their quest to force american withdrawal this essential volume provides analysts observers and policy makers with guidelines and prescriptions about the future of postwar iraq and detailed analysis of lessons learned both during and after the military and reconstruction phases

the cradle of an insurgency that plunged iraq into years of chaos and bloodshed fallujah conjures up images of the brutal house to house fighting that occurred during the 2004 u s invasion of the iconic city but attacks in the area actually peaked two years later when american and iraqi government forces struggled with a reinvigorated insurgency and the prospect of premature withdrawal by u s forces fallujah awakens tells the story of the remarkable turnaround that followed journalist bill ardolino explains how local tribal leaders and u s marines forged a surprising alliance that helped secure the famous battleground it is one of the few books to recount events from both american and iraqi perspectives based on more than 120 interviews with iraqis and u s marines ardolino describes how a company of reservists led by a hospital equipment salesman from michigan succeeded where previous efforts had stalled circumstance combined with smart charismatic leadership enabled americans to build relationships with members of a sunni tribe once written off as dangerous and intractable who pushed al qaeda and other insurgents from their notoriously rebellious area accidental killings intertribal rivalries insurgents and intrigue all conspired to undue the tenuous alliance forged between the americans and tribesmen on fallujah s peninsula but the partnership was cemented after a marine commander s risky decision to welcome nearly 100 injured civilians onto a secure american facility after a ruthless chemical attack by al qaeda the book s gripping storyline will appeal to readers of historical nonfiction its exhaustive documentation will prove valuable to military students analysts and historians and will help policy makers better understand what is possible in counterinsurgency photographs and maps further enhance the reader s understanding of everything from tribal dynamics to the geography of firefights
