universally considered to be pathbreaking landmark original and provocative since its first edition was
published three decades ago women in law continues to provide a sociological and historical analysis

of the overt and subtle ceilings placed on women in the legal profession in their various roles it is a foundational work for departments of gender studies law and sociology but also reads as accessible and interesting to a general audience adding a new foreword by stanford s deborah rhode the thirtieth anniversary edition of this classic book reports countless revealing interviews war stories and inside glimpses of the many professional roles that women inhabit lawyers judges professors leaders and backroom labor it also brings vividly to life the candid and sometimes cringeworthy assessments by male lawyers and judges about the changes to the profession ushered in by the increasing entry of women to the lawyers club part of the classics of law society series from quid pro books adds a new foreword from stanford s deborah rhode

without adequate protection and consideration from the state women were left out of zimbabwe s fast land reform programme at the turn of the century leaving them to fight for land in a murky convoluted system will not address women s rights to it giving specific ethical and legal attention to women s rights and needs is the only way to guard against land and other resources begin co opted by the privileged and those with the requisite social financial and political capital some commentators have argued that zimbabwean women were better off identifying with zimbabwean men as as blacks in taking land from the former white farmers than to concentrate on their needs as women during the flrp the primary battle was to take the land from the white farmer after which a secondary battle by women to take land from men would ensue twenty years after the commencement of the flrp the question remains whether the secondary battle by black women to take over land from black men has started and whether there are any chances that such a battle will ever be fought and won

presents a study of the legal status of women focusing on the years since 1933 discussing constitutional law paid work and the home reproductive freedom education and barriers and women as actors and subjects in the legal system

attuned to the social contexts within which laws are created feminist lawyers historians and activists have long recognized the discontinuities and contradictions that lie at the heart of efforts to transform the law in ways that fully serve women s interests at its core the nascent field of feminist legal history is driven by a commitment to uncover women s legal agency and how women both historically and currently use law to obtain individual and societal empowerment feminist legal history represents feminist legal historians efforts to define their field by showcasing historical research and analysis

that demonstrates how women were denied legal rights how women used the law proactively to gain rights and how empowered by law women worked to alter the law to try to change gendered realities encompassing two centuries of american history thirteen original essays expose the many ways in which legal decisions have hinged upon ideas about women or gender as well as the ways women themselves have intervened in the law from elizabeth cady stanton s notion of a legal class of gender to the deeply embedded inequities involved in *ledbetter v goodyear* a 2007 supreme court pay discrimination case contributors carrie n baker felice batlan tracey jean boisseau eileen boris richard h chused lynda dodd jill hasday gwen hoerr jordan maya manian melissa murray mae c quinn margo schlanger reva siegel tracy a thomas and leti volpp

the position of women in the legal system of england and wales differs from that of men in both obvious and very subtle ways and has a long legal history as well as very contemporary importance this book looks at these issues through topics such as women s employment rights their treatment as both criminals and victims of crime and reproductive autonomy it introduces the issues the debates and the wider theories on women and law topics covered include women s legal theory women s legal history women s economic position women and crime personal autonomy reproductive issues sexuality and cultural representations

this book explores cultural constructs societal demands and political and philosophical underpinnings that position women in the world it illustrates the way culture controls women s place in the world and how cultural constraints are not limited to any one culture country ethnicity race class or status written by scholars from a wide range of specialists in law sociology anthropology popular and cultural studies history communications film and sex and gender this study provides an authoritative take on different cultures cultural demands and constraints contradictions and requirements for conformity generating conflict women law and culture is distinctive because it recognises that no particular culture singles out women for special treatment rules and requirements rather all do highlighting the way law and culture are intimately intertwined impacting on women whatever their country and social and economic status this book will be of great interest to scholars of law women s and gender studies and media studies

first published in 1985 women in law is a collection of essays examining the complex interactions of law sexuality and the family it explores the ways in which legal ideology and practice affect women

and looks at issues such as child custody domestic violence and prostitution in the light of new research the contributors review the history of feminist involvement with the law and analyse the law's fundamental failure to improve the status of women they also assess strategies for change in view of the current backlash against women's rights and the traditional role of law in the subjugation of women this book will be of interest to students of law political science sociology gender studies and sexuality studies

a groundbreaking analysis of how gendered oppression is written into the american legal system law gender and injustice a legal history of u s woman is a landmark study of how women remain second class citizens under the current legal system in this widely acclaimed book joan hoff questions whether the continued pursuit of equality based on a one size fits all vision of traditional individual rights is really what will most improve conditions for women in america concluding that equality based on liberal male ideology is no longer an adequate framework for improving women's legal status hoff's highly original and incisive volume calls for a demystification of legal doctrine and a reinterpretation of legal texts including the constitution to create a feminist jurisprudence

at the university of oslo the subject of women's law was recognized as an autonomous legal discipline since 1974 in this introduction a description is given of the subjects the institute is working on discrimination and equality sources and methods women's right to money housewives law

ranging from the 1860s when women first sought entrance into law to the 1930s when most institutional barriers had crumbled this book defines the contours of women's integration into the most rigidly gendered profession

softbound new softbound print book

doing justice doing gender women in legal and criminal justice occupations is a highly readable sociologically grounded analysis of women working in traditionally male dominant justice occupations of law policing and corrections this second edition represents not only a thorough update of research on women in these fields but a careful reconsideration of changes in justice organizations and occupations and their impact on women's justice work roles over the past 40 years

a must read for every woman in the midst of or contemplating a career in law and for the men who work with them the very presence of women in law normal as it may seem to us today signals

revolutionary change in a social order that for centuries entrusted control over its rules to men mona harrington examines both the problems women meet when they claim equal authority as rule makers and the impact of new perspectives and issues that women bring with them into the profession on the basis of more than one hundred interviews with women lawyers judges and law school professors and students and through the stories of their daily experiences harrington pinpoints and analyzes the key factors holding women back in a profession still dominated by males among them the men s club ambience the focus on billable hours sexual harassment and the inequality it perpetuates lingering unequal division of labor at home and hostile media images of women in positions of power she shows us what life is like for women lawyers in practice today and how their dilemmas reflect the social issues of our time she gives us the voices of women who have adapted to the cultural codes of corporate law and women who have broken them women who have successfully balanced their professional and private lives and women who feel trapped by the combination of long hours at the office and full responsibility at home she introduces us to women in new and alternative firms on the faculties of small public law schools in in house legal departments and in prosecutors offices and courtrooms women who are devising new rules and legal theories to bring about change
