workforce remote employee blueprint discover how to harness the potential of having a remote workforce for your business are you thinking of transitioning your employees to remote work a remote workforce can help employers cut costs access to talents anywhere without worrying about geolocation geography and eliminate a fair amount of overhead cost as well there are many ways to ensure that the transition from a typical workplace setting to remote work is as smooth and effortless as possible creating a sustainable and successful remote workforce a remote workforce offers innumerable benefits to both employees and employers workforce members enjoy unprecedented flexibility in that they can work from home during hours that work for them with no commute involved however to fully realize the benefits a remote work force could offer your business you will need a clear strategy proper infrastructure and a little creativity in creating a productive and cohesive remote workforce there are many things to consider as an employer it will be your job to set a precedent for your staff establishing protocol ensuring they have the tools they need to network and succeed all while keeping their individual wellbeing in mind in addition to the good of the company keeping your company data safe and facilitating opportunities for intra office bonding are two of the new challenges remote workers face but no challenges are insurmountable the benefits of a hybrid or remote workforce are decreased overhead cost increased employee retention rates and possibly a healthier work life balance for your workers with this guide readers will gained a new understanding of not only the hurdles but the immense benefits of operating a remote workforce no matter which conditions or situations have prompted your employees to consider remote work more teams across the country and across the globe are working remotely every quarter prepare yourself for the workforce of the future as best you can by considering our many suggestions for success knowing that by now you are well equipped with tools you ll need to overcome the distance and bridge the gap with your team toward productivity

black and white edition color edition available on the ebook page a working remote guide for both individual contributors and leaders how to successfully create a work from home wfh program for everyone at any level essential for the times we re living in today working remote is not a new concept yet with today s growing popularity to allow employees to working from home there is a need to address a few things many organizations are looking for the solutions to make this work many companies have tried without the success they had hoped to achieve addressing this challenge means addressing the remote team and leadership working remote saves money increases productivity tenure and moral working remote can be an amazing win win for everyone if done right have fun

as more people choose to work from home the challenges for both the home worker and

traditional management increase many questions arise regarding how to appraise the remote worker the logistics of home working and productivity the authors focus on developing the right skills to cope with this new environment and stress the importance of knowing what the homemaker needs other issues addressed are finding the right balance between the office home and client sites dealing with the creation of workable home office environment and technological and legal issues

the ultimate guide to leading remote employees and teams tackling the key challenges that managers face from hiring and onboarding new members to building culture remotely tracking productivity communicating speedily and retaining star employees

the future of work is remote that means we need more remote leaders empowering employees to work from home requires strong clear leadership for it to become a viable and sustainable option for more companies across all industries remote leadership needs leaders who are comfortable and confident leading their teams from a distance and while it s easy to find resources about remote work and location independent jobs effective remote leadership is often left to chance with companies instead blaming the failure of remote working on the fact that it s remote rather than a failure of leadership enjoy 60 pages full of knowledge ideas and tools to successfully lead your remote team from wherever you are whether you are already a seasoned remote leader or you are just starting out creating or inheriting your first location independent team this guide will help you to hit the ground running the book is written with mainly support organizations in mind but readers of the pre release version have pointed out that many of the ideas and tools are equally valid for other location independent teams

many organizations are shifting to a remote workforce in order to be competitive and many more are built as remote first outfits the sudden global experiment brought on by the covid 19 pandemic has proven that remote teams are in fact possible and widely effective across industries when done right remotely possible addresses the challenges and opportunities that remote teams face starting with the current landscape and looking forward to the future of remote working author shawn belling insightfully addresses what leaders must do to effectively lead a remote team whether it is in a remote first organization or in an organization trying the concept for the first time there are long term strategies you can adapt to your own organization and remotely possible explores these in addition to the benefits that come with broad acceptance of remote workforces globally distributed teams are more common than ever and with the correct approach and digital plan yours can take an organization to the next level belling acknowledges the challenges that come with changes to a team s work culture communication tools and foundations of trust in an all digital remote workplace adaptation is key and remotely possible gives you all the practical real world lessons you need to tackle these major changes head on remote work is here to stay

my manager doesn t trust that i m doing my best when i m not in the office what should i do keeping track of what my remote employees are doing is exhausting how can i make it easier i love working from home but i feel isolated is there a better way to stay connected to my colleagues working outside of the office is growing in popularity and is more common now than it has ever been millions of people have discovered they can do their jobs from home or from halfway across the world but while remote work comes with plenty of freedom and perks it also comes with challenges so how can you make the most of this new reality co founder of remote how iwo szapar has for years taught people how to create remote friendly work

environments his guide to staying productive avoiding burnout and managing distributed teams is drawn from countless hours of collaboration with some of the top experts in the field whether you work for yourself or a fortune 500 this book is an invaluable resource for rethinking what the office optional future means for you your business and the world inside is a guide to the practical skills and habits you ll need for communicating collaborating and getting the job done as well as inspiration on how to live the kind of life you want remote work is the way of the future now it s time to find out how to make it work for you

you can thrive and excel when you re working remotely if you adopt the mindset habits and tech tools of professionals who are even more productive outside the office learn to think like a business of one and that entrepreneurial mindset will transform your experience of remote work remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home after a year in which many of us plunged into remote work overnight we finally have a chance to make thoughtful choices about how to combine remote and office work and how to make the most of our days at home remote inc gives you the strategies and tools you need to make remote work a valuable part of your renewed working life learn how to gain control over how and when you work by focusing on objectives not the 9 to 5 workday wow your managers by treating them like valued clients beat information overload by prioritizing important emails and messages make online meetings purposeful focused and engaging build great relationships with your colleagues whether at the next desk or another city find a balance between work from home and life at home make a remote work plan that lets you get the best from time at the office and the best of home remote inc takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time people who function like a business of one that s how productivity experts robert c pozen and alexandra samuel describe the mindset that lets people thrive when they re working remotely whether full time or in combination with time at the office you can follow their lead by embracing the work habits and independence of a small business owner while also tapping into the benefits of collegiality and online collaboration

prepare yourself to join the remote revolution with this comprehensive guide thanks to the advantages of technology and also unfortunately the far reaching effects of a contagion working remotely has never been more prevalent after years of struggling with a long commute and spending extended hours at the office you can now report to work by simply turning on your computer at home it seems like a dream come true no need to dress up brave the traffic and spend much of the day in a lifeless cubicle instead you can work in peace from wherever you want far from your nagging boss and interrupting colleagues but working remotely comes with its own unique set of difficulties adjusting from an office with professionally dressed people all around you to working alone in your sweats with only your pets or a few family members as companions isn t an easy transition remote workers struggle with work life balance time management productivity and loneliness these challenges may make you question if remote work is feasible for you in the long term but it can be sustainable if you know what to expect prepare yourself to tackle the common challenges and set your routine to make the transition as smooth as possible in the remote work blueprint here is just a fraction of what you will discover how to bring the best of the office environment to your home while keeping the coziness of your home how to smoothly navigate video conferences even if you re technologically challenged the secret to staying socially active when you re rarely around people physically how to successfully fend off distractions from your family or roommates without being rude or distant accessible workplace alternatives when you re sick of being home all day how to collaborate and communicate effectively with your team when

you don't get to see them in person why putting more restrictions on yourself your colleagues and your family can give you more freedom to focus on the important things an easy motivational hack that's guaranteed to get you out of that funk and get you started on that task you keep postponing a quick adjustment to your daily routine that will immediately shift your mindset and gear you up for work even if you're just at home an indispensable part of any remote worker's schedule that often gets overlooked and how you can make sure you don't neglect it must have remote working apps you should take full advantage of to boost your productivity and save you precious time and much more the benefits of working remotely can be life changing in many positive ways it can increase work opportunities beyond your present location so you will never again have to turn down a perfectly good job because it's located in another state it can also save you an unimaginable amount of time on commutes allowing more time for family a side hustle or even just to rest it's up to you to take advantage of these benefits by fully equipping yourself for this new working arrangement as remote work is adopted by more and more companies the future of work is no longer in the office building give yourself an edge from the rest and show that you are ready for the future if you want to achieve even more while working remotely than you ever did in the office then scroll up and click the add to cart button right now

how can i develop a team if they're not in the same place how can i build a company culture that works for employees in an office working at home and in co-work spaces how can i maintain organizational oversight if i can't see my employees remote work answers all these questions and more and provides guidance on how to build a successful remote working strategy that engages employees allows them to perform to their full potential and improves business performance the covid-19 pandemic has put remote work into the business norm but demand from employees to work remotely was already increasing with a 2019 report stating that 34% of people surveyed would even take a pay cut if they could work remotely part of the time hr professionals and business leaders need to address this demand to attract and retain the talent the business needs remote work is written by two industry experts who have successfully transitioned their workforces to remote models it provides essential guidance on how to implement policies processes and strategies for remote working including meeting types measuring performance and creating virtual water cooler environments featuring advice on technological solutions to adapting processes and driving engagement this book also outlines the business benefits of a remote workforce including improved productivity and output and how it allows for faster expansion and execution with insights from leading experts such as marshall goldsmith and case studies from cornerstone ondemand buffer and united states marine corps remote work is essential reading now that increased home and flexible working is here to stay
