*this book offers an illuminating story of how social and political change can sometimes result from the vision leadership and commitment of a few dedicated individuals determined not to fail cesar chavez and the united farm workers movement chronicles the drive for a union of one of american society s most exploited groups it is a story of courage and determination set against the backdrop of the 1960s a time of assassinations war protests civil rights battles and reform efforts for poor and minority citizens american farm workers were men and women on labor s last rung living in desperate and inhumane conditions poisoned by pesticides and making a pittance for back breaking work the book shows how these migrant workers found a champion in chavez and the united farm workers union with the help of quotes from documentary material only recently made available it tells the story of the boycotts marches and strikes including hunger strikes used to force concessions for better conditions and pay it also shows how the farm workers movement helped set the stage for growing latino cultural awareness and political power*

*this book is a unique single volume treatment offering original source material on the life accomplishments disappointments and lasting legacy of one of american history s most celebrated social reformers cesar chavez two decades after cesar chavez s death this timely book chronicles the drive for a union of one of american society s most exploited groups farm workers encyclopedia of cesar chavez is a valuable one volume source based on the most recent research and available documentation historian roger bruns documents how chavez and his united farm workers ufw against formidable odds organized farm laborers into a force that for the first time successfully took on the might of california s agribusiness interests to achieve greater wages and better working conditions set against the backdrop of the 1960s a time of assassinations war protests civil rights battles and reform efforts for poor and minority citizens the approximately 100 entries in this encyclopedia provide a glimpse into the events organizations men and women and recurring themes that impacted the life of cesar chavez it also contains a section of primary documentation useful not only to enhance the understanding of this social and political movement but also as source material for students*

*the section on farm worker movements looks mainly at the agribusiness economy of california beginning with farm worker mobilization in the depression era and the emergence of such prominent unions as the cannery and agricultural workers industrial union and the united cannery agricultural packing and allied workers of america the authors extensively examine the united farm workers ufw activism that began in 1965 under the late cesar chavez and culminated in 1975 with the passage of the california agricultural labor relations act the achievements of the farm labor organizing committee in ohio and michigan during the 1980s and early 1990s is also compared with the relative failures of the ufw during that same time period and the authors pay*

*particular attention to the control issues that have been crucial among farm worker demands*

*from the jaws of victory the triumph and tragedy of cesar chavez and the farm worker movement is the most comprehensive history ever written on the meteoric rise and precipitous decline of the united farm workers the most successful farm labor union in united states history based on little known sources and one of a kind oral histories with many veterans of the farm worker movement this book revises much of what we know about the ufw matt garcia s gripping account of the expansion of the union s grape boycott reveals how the boycott which ufw leader cesar chavez initially resisted became the defining feature of the movement and drove the growers to sign labor contracts in 1970 garcia vividly relates how as the union expanded and the boycott spread across the united states canada and europe chavez found it more difficult to organize workers and fend off rival unions ultimately the union was a victim of its own success and chavez s growing instability from the jaws of victory delves deeply into chavez s attitudes and beliefs and how they changed over time garcia also presents in depth studies of other leaders in the ufw including gilbert padilla marshall ganz dolores huerta and jerry cohen he introduces figures such as the co coordinator of the boycott jerry brown the undisputed leader of the international boycott elaine elinson and harry kubo the japanese american farmer who led a successful campaign against the ufw in the mid 1970s*

*when we think of literature and film about farm workers the grapes of wrath may come to mind but farm worker futurism reveals that the historical role of technology especially new media has in fact had much more to do with depicting the lives of farm laborers mexican migrants in particular in the united states from the late 1940s when ernesto galarza led a strike in the san joaquin valley to the early 1990s when the united farm workers ufw helped organize a fast in solidarity with janitors at apple computers in the santa clara valley this book explores the friction between agribusiness and farm workers through the lens of visual culture marez looks at how the appropriation of photography film video and other media technologies expressed a farm worker futurism a set of farm worker social formations that faced off against corporate capitalism and government policies in addition to drawing fascinating links between the worlds envisioned in ufw videos on the one hand and visions of cold war geopolitics on the other he demonstrates how union cameras and computer screens put the farm worker movement in dialogue with futurist thinking and speculative fictions of all sorts including the films of george lucas and the art of ester hernandez finally marez examines the legacy of farm worker futurism in recent cinema and literature contemporary struggles for immigrant rights management labor conflicts in computer hardware production and the antiprison movement in contrast with cultural histories of technology that take a top down perspective farm worker futurism tells the story from below showing how working class people of color have often been early adopters and imaginative users of new media in doing so it presents a completely novel analysis of speculative fiction s engagements with the farm worker movement in ways that illuminate both*

*uses the victory of the national farm workers association over large scale agricultural enterprises in 1966 as a lens through which to explore the reasons why the powerless sometimes win against the powerful*

*this four volume set examines every social movement in american history from the great struggles for abolition civil rights and women s equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice*

*a generation of americans came of age boycotting grapes swept up in a movement that vanquished california s most powerful industry and accomplished the unthinkable dignity and contracts for farm workers four decades later cesar chavez s likeness graces postage stamps and dozens of schools and streets have been renamed in his honor but the real story of chavez s farm workers movement both its historic triumphs and its tragic disintegration has remained buried beneath the hagiography drawing on a rich trove of original documents tapes and interviews miriam pawel chronicles the rise of the ufw during the heady days of civil rights struggles the antiwar movement and student activism in the 1960s and 70s from the fields the churches and the classrooms hundreds were drawn to la causa by the charismatic chavez a brilliant risk taker who mobilized popular support for a noble cause but as miriam pawel shows the ufw was ripped apart by the same man who built it as chavez proved unable to make the transition from movement icon to union leader pawel traces the lives of several key members of the crusade using their stories to weave together a powerful portrait of a movement and the people who made it a tour de force of reporting and a spellbinding narrative the union of their dreams explores an important and untold chapter in the history of labor civil rights and immigration in modern america*

*this collection provides an accessible yet rigorous survey of the rhetorical study of historical and contemporary social movements and promotes the study of relations between strategy symbolic action and social assemblage offering a comprehensive collection of the latest research in the field the rhetoric of social movements networks power and new media suggests a framework for the study of social movements grounded in a methodology of slow inquiry and the interconnectedness of these imminent phenomena chapters address the rhetorical tactics that social movements use to gain attention and challenge power the centrality of traditional and new media in social movements the operations of power in movement organization leadership and local and global networking and emerging contents and environments for social movements in the twenty first century each chapter is framed by case studies drawn from movements across the world ranging from black lives matter and occupy to greek anarchism and*
