a basic ingredient necessary for success in christian life and ministry is learning to forgive and to forget

there is a very fine line between real spirituality and fanaticism and excess this provocative minibook shows that believers can learn to yield to the spirit of god individually and corporately

these classic bible study courses by rev kenneth e hagin have been reedited to include chapter review questions to further enhance your study of god s word these teachings on the vital subjects of faith prayer the holy spirit and his gifts and healing will show you how to live a life of victory and abundance learning how to pray effectively is one of the most important things a believer can ever do in his christian walk a believer cannot be successful in fulfilling god s purpose in his life if he does not know how to pray according to biblical principles a believer s prayer life should be based and built on the word of god this bible prayer study course discusses many principles of prayer that are found in the word of god as you apply these principles in your life you can be sure of an answer every time chapter titles include seven steps to answered prayer praying in jesus name praying for results the prayer of faith praying with tongues what jesus sai about prayer the will of god in prayer

bill johnson joyce meyer heidi baker the fame of these names is evidence enough that though the controversies are less intense the charismatic movement is alive and well today it continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas these five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the spirit inner healing shepherding word of faith spiritual warfare and signs and wonders plenty of studies have been written by pentecostal scholars about pentecostal theology but these tend to group the very distinct approaches of charismatics together with classical pentecostals bold faith aims to analyze and evaluate the ways in which practitioners within independent charismatic networks especially in their anglo american expressions have responded to the challenges of secular modernity

church is design so that we the body of christ come and worship our king rejoice in his salvation and hear from him through his spirit but often we go to church with expectation and faith and as a result an environment of faith is created

yet when it s time to hear from the spirit no one seems to know what to do pastor virgil wrote this book out of his 25 years of pastoral experience in nurturing the move of the spirit in our congregations after reading this book you will be challenged and inspired to seek and contend for the manifestation of the holy spirit in your midst

the name it claim it theology of the word faith movement is presented as biblical but is it in this compelling book mcconnell documents the historical link between faith theology and new thought metaphysics he then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of christ to show how they deviate from biblical teaching this updated edition features a foreword by hank hanegraaff and an afterword by mcconnell softcover from hendrickson
