the various national european legal systems offer a broad range of responses to the question of what can be regarded as wrongful behaviour or fault the present work systematically examines these two important prerequisites for tortious liability under the combined heading of misconduct unlike current textbooks national casebooks and monographs it builds on the experiences gathered in the national legal systems over the past decades and thereby fills a major gap which still exists today it thus does what the previous volumes in the digest of european tort law series did for other key elements of

tort law namely natural causation and damage once again the publication contains a selection of the most important cases from 28 states across europe as well as cases handed down by european union courts it also highlights cases from earlier periods of legal history for each case the facts and the relevant court decision are presented and these are then accompanied by an analytical commentary in addition the editors provide comparative analyses of the cases reported and a special report is dedicated to how key decisions would be resolved under model european rules on tort law the editors believe that the material gathered here may provide guidance for an organic convergence of the national legal systems in europe it constitutes the basis of an *acquis commun* that is infinitely richer though also much more complex than the rather bland and abstract concepts contained in national codifications european legislation and modern model rules

through a comprehensive analysis of sixteen european legal systems based on an assessment of national answers to a factual questionnaire causation in european tort law sheds light on the operative rules applied in each jurisdiction to factual and legal causation problems it highlights how legal systems features impact on the practical role that causation is called upon to play as well as the arguments of professional lawyers issues covered include the conditions under which a causal link can be established rules on contribution and apportionment the treatment of supervening alternative and uncertain causes the understanding of loss of a chance cases and the standard and the burden of proving causation this is a book for scholars students and legal professionals alike

a great resource anywhere you go it is an easy tool that has just the words you want and need the entire dictionary is an alphabetical list of law words with definitions this ebook is an easyto understand guide to law terms for anyone anyways at any time en stor ressource hvor som helst du går det er et nemt værktøj der bare har de ord du vil have og har brug for hele ordbogen er en alfabetisk liste over lovord med definitioner denne ebook er en easyto forstå vejledning til lovbestemmelser for nogen uanset hvor som helst

european economic developments are receiving the attention of the world business community as never before while some of the recent attention has focused on the controversial maastricht treaty the complete economic integration of europe has moved steadily towards realization the emergence of europe as a unified trading block has profound implications for those who do business in europe or with european companies

European Community law after 1992 is for lawyers who need to know about the new Europe. It provides a comprehensive introduction to European law, law-making institutions, and dispute settlement mechanisms. It presents the European legal regimes for the general areas which foreign lawyers need to know about, including corporate law, environmental and securities regulations, antitrust, mergers and acquisitions, and product liability. It examines the European regulation of some important specific industries, including broadcasting and telecommunications. The editors and authors of *European Community Law After 1992* are among the most prominent academic and professional authorities in the world. This book is the single most useful reference tool for the practitioner.
