a lively unorthodox look at economics business and public policy told in the form of a novel a love

story that embraces the business and economic issues of the day the invisible heart takes a provocative look at business economics and regulation through the eyes of sam gordon and laura silver teachers at the exclusive edwards school in washington d c sam lives and breathes capitalism he thinks that most government regulation is unnecessary or even harmful he believes that success in business is a virtue he believes that our humanity flourishes under economic freedom laura prefers wordsworth to the wall street journal where sam sees victors she sees victims she wants the government to protect consumers and workers from the excesses of sam s beloved marketplace while sam and laura argue about how to make the world a better place a parallel story unfolds across town erica baldwin the crusading head of a government watchdog agency tries to bring charles krauss a ruthless ceo to justice how are these two dramas connected why is sam under threat of dismissal will erica baldwin find the evidence she needs can laura love a man with an adam smith poster on his wall the answers in the invisible heart give the reader a richer appreciation for how business and the marketplace transform our lives

in this outstanding biography ralph freedman traces rilke s extraordinary career by combining detailed accounts of salient episodes from the poet s restless life with an intimate reading of the verse and prose that refract them

gothiniad of surazeus oracle of gotha presents 150 792 lines of verse in 1 948 poems lyrics ballads sonnets dramatic monologues eulogies hymns and epigrams written by surazeus 1993 to 2000

personal funny and spiritual river girl offers a collection of poems to honor and pay tribute to some of the women who inspired author james adams and made a positive impact on his life while he was preparing to write this collection of poetry friends and strangers wondered aloud what is a man doing writing about women while admitting to knowing little about women adams presents a celebration of the women in his life and of women in general his collection of poetry isnt intended to be a literary masterpiece or scholarly effort instead through his poems he shares his thoughts on his favorite women good to herself good to herself an unhappy woman the one who is miserable and whos not good to herself cannot be a good friend to her girl and boyfriend the woman with blue emotions and sadness is unable to be her best as a mother and wife the happy woman lives to get the most out of her life good to herself

there has been much talk about family values in recent years but little examination of the economic forces that are exploding family life and limiting the caregiving that families can provide as folbre points out in her provocative and insightful new book every society must confront the problem of balancing self interested pursuits with care for others including children the elderly and the infirm historically most societies enjoyed an increased supply of care by maintaining strict limits on women s freedom but as these limits happily and inevitably give way there are many consequences for those who still need care using the image of the invisible heart to evoke the forces of compassion that must temper the forces of self interest folbre argues that if we don t establish a new set of rules defining our mutual responsibilities for caregiving the penalties suffered by the needy our very

families will increase intensified economic competition may drive altruism and families out of business a leading feminist economist nancy folbre writes in a lively personal style molly ivins check to check with john kenneth galbraith and develops a distinctive approach to the economics of care unlike others who praise family values folbre acknowledges the complicated relationship between women and altruism her book offers new interpretations of such policy issues as welfare reform school finance and progressive taxation and it confronts the challenges of globalization outlining strategies for developing an economic system that rewards both individual achievement and care for others

women are vital members of the economics profession yet they have traditionally received scant recognition for their work this volume provides information on 51 remarkable women in the profession they come from all areas of economics academia the business world public policy and include those who are currently active as well as 19th century pioneers in the field entries cover biographical information as well as the subjects work providing a unique guide to the many and varied contributions these women have made to economics joan robinson was one of the most significant economists of the 20th century juanita morris kreps was secretary of commerce under jimmy carter and forecasting guru abbey joseph cohen appears regularly on pbs cnn and cnbc women are vital members of the economics profession yet they have traditionally received scant recognition for their work this volume provides information on 51 remarkable women in the profession they come from all areas of economics academia the business world public policy and include those who are currently active as well as 19th century pioneers in the field entries cover biographical information as well as the subjects work providing a unique guide to the many and varied contributions these women have made to economics seeking to provide balanced coverage this book covers accomplished and emerging economists living and deceased individuals and women

from all philosophical perspectives and economic areas some have worked in several areas kathleen bell cooper for instance was chief economist at exxon corporation and is now under secretary of commerce for economic affairs while marina whitman now with the university of michigan business school was a senior executive with general motors and the first woman appointed to the president s council of economic advisors others have spent their career in academia all have been prolific writers as their entries document and all made their mark on economics this book is a testament to their achievements

a revealing look at stay at home fatherhood for men their families and for american societyit s a growing phenomenon among american families fathers who cut back on paid work to focus on raising children but what happens when dads stay home what do stay at home fathers struggle with and what do they rejoice in how does taking up the mother s traditional role affect a father s relationship with his partner children and extended family and what does stay at home fatherhood mean for the larger society in chapters that alternate between large scale analysis and intimate portraits of men and their families journalist jeremy adam smith traces the complications myths psychology sociology and history of a new set of social relationships with far reaching implications as the american economy faces its greatest crisis since the great depression smith reveals that many mothers today have the ability to support families and fathers are no longer narrowly defined by their ability to make money they have the capacity to be caregivers as well the result smith argues is a startling evolutionary advance in the american family one that will help families better survive the twenty first century as smith explains stay at home dads represent a logical culmination of fifty years of family change from a time when the idea of men caring for children was literally inconceivable to a new era when at home dads are a small but growing part of the landscape their numbers and cultural importance will continue to rise and smith argues that they must rise as the unstable global

creative technological economy makes flexible gender roles both more possible and more desirable but the stories of real people form the heart of this book couples from every part of the country and every walk of life they range from working class to affluent and they are black white asian and latino we meet chien who came to kansas city as a refugee from the vietnam war and today takes care of a growing family kent a midwestern dad who nursed his son through life threatening disabilities and kent s wife misun who has never doubted for a moment that breadwinning is the best thing she can do for her family ta nehisi a writer in harlem who sees involved fatherhood as the ultimate service to black people michael a gay stay at home dad in oakland who enjoys a profoundly loving and egalitarian partnership with his husband and many others through their stories we discover that as america has evolved and diversified so has fatherhood
